ACHIEVEMENTS, HONOURS AND AWARDS

- 🏆 Developed a generic e-shop system, easily adaptable to new businesses with minimum code change (Have been sold to 5 different businesses)
- 🏆 Developed REST APIs to make a VB6 legacy system to be useful again
- 🏆 Successfully completed projects from Canada, Iceland and Australia
- 🏆 Successfully led a team of researchers on a project for Isfahan Municipality (migrating their systems to open-source and realising major cost savings)
- 🏆 Improved customer satisfaction by performance tuning of several systems
- 🏆 Established continuous integration tools to reduce the deployment costs

GENERAL SKILLS

Punctual Fan of new challenges Believe in synergy Swift learner
Critical thinker Meticulous Tolerant Good Communication Skills

A DAY OVERVIEW
